The **Ann Arbor Figure Skating Club** is committed to a Basic Skills “Learn-to-Skate” program of excellence. Our classes follow the guidelines developed by U.S. Figure Skating and are divided according to age and ability. To ensure the best quality, all of our instructors are experienced in the test and competitive structure and are present members of U.S. Figure Skating. Priority is placed on giving individual attention within the group environment so the skater can feel comfortable and progress to their maximum potential.

If you should have any questions regarding our instructors or the Coordinator of our Learn-to-Skate Program, please contact the Ann Arbor Figure Skating Club office.

**Scheduling/missed lessons.** A missed lesson may be made up on another day, but only 2 weeks after the beginning of the class and not the last week.
