Interested in Private Lessons?

Option A. Learn to Skate Supplemental Lessons

Skaters currently enrolled in the AAFSC Learn to Skate Program are permitted to take ONE private lesson per week on a regular club ice session without upgrading their membership. Students pay their coach directly and purchase their ice time online through [EntryEeze](#). For assistance in choosing an instructor, please contact our LTS Director, Claire Mifsud at clairemifsud16@gmail.com or visit our website to view the contact information and biographies of all our coaches. Please note that LTS Skaters are limited to only one private lesson per week and may not purchase additional ice time or skate without an instructor present for their own safety. Only full club members are permitted to skate without an instructor present.

Option B. Private Learn to Skate “Class”

The Ann Arbor FSC offers a once-a-week Private LTS “class”. Skaters in this program will be assigned a coach and work one-to-one with their instructor each week to build individual skating skills. Those enrolled in this program must have an AAFSC Basic Skills Membership and may not take any additional private lessons. Skaters do not need to be enrolled in a group LTS class to participate in Private LTS. Please note that Introductory and full Club Members are not eligible for this program. Skaters in the Private LTS program will only be permitted to register in Private LTS for a total of three sessions. Availability for Private LTS is limited, and registration is on a first-come, first-served basis. To submit a request for Private LTS, please contact our LTS Director, Claire Mifsud at clairemifsud16@gmail.com

Option C. Club Membership & Private Lessons

If your skater is interested in more than one private lesson per week, you must upgrade their membership level. Introductory Membership is available in a skater’s first year and is \$140 with a 10-hour volunteer commitment for the club season (July 1st – June 30th). Beyond their first year, skaters must join our Club #1 Membership which is \$172 and includes a 40-hour volunteer commitment. With club membership, skaters are not limited in the number of ice sessions or lessons that they may register per week. Lessons fees will be paid to the coach and ice session purchases will be made online through [EntryEeze](#). To upgrade your membership, please call the AAFSC Office at 734-213-6768. Visit our website to view the contact information and biographies of all our coaches. Skaters with full club membership are still eligible and encouraged to participate in group Learn to Skate classes.
